B R M V M High School, Palakol	Marks: 570

SKILLS

Technical skills: C, Python, HTML, CSS

Tools: Jupyter Notebook, Visual Studio Code, MS Word, MS Excel

Soft skills: Good communication skills, Cooperative, Teamwork

EXPERIENCE

Python Intern

Talent Shine Pvt. Ltd.

Internship Duration: June to September

Worked as a Python intern where I developed applications such as a calculator and QR code generator. I gained hands-on experience with Python libraries and followed best practices in writing clean and efficient code. Throughout the internship, I collaborated with the development team, participated in code reviews, and enhanced my understanding of real-world software development.

PROJECTS

- **Calculator in Python** Python
Built a simple calculator application in Python with a user-friendly interface, supporting basic arithmetic operations such as addition, subtraction, multiplication, and division.
- **QR Code Generator in Python** Python
Developed a Python-based QR code generator that takes user input and converts it into a scannable QR code. This project utilizes libraries like 'qrcode' to create high-quality QR codes for various applications.

CERTIFICATIONS

- **Introduction to Python** Infosys Springboard
Completed a certification program on Python fundamentals, covering topics such as syntax, data types, loops, functions, and file handling. Developed hands-on projects to apply theoretical concepts effectively.

ACHIEVEMENTS

- **Essay Writing Competitions** - Actively participated in various essay writing competitions, showcasing strong analytical and writing skills. Won multiple awards for delivering well-researched and thought-provoking essays on diverse topics.

EXTRACURRICULAR ACTIVITIES

- **Event Coordinator** - Successfully organized and managed cultural events in college, ensuring smooth execution and active participation from students.

HOBBIES

I enjoy sketching, painting, and creating DIY crafts that allow me to express my creativity. These activities help me stay focused, inspired, and detail-oriented in both personal and academic work.
